

PRESS RELEASE

Jean-Michel Mamann joined Galitt

Boulogne-Billancourt (France), September 19th, 2011

Jean-Michel Mamann made a large part of his career in payment systems, successively at ASTRIA, ATOS and S2 Systems, before founding Jware Technologies. Since 2008, he was a consultant at ADN'Co then the Manager of the payment business at Astek Global Finance.

Late in April, he joined Galitt as Executive Director of the Engineering and Technology Domain. Jean-Michel is thus piloting a wide set of activities covering bespoke developments, integration services, hosted and packaged solutions and testing software. Such activities are run both in Boulogne-Billancourt (near Paris) and in Frontignan (in the South of France).

Following the acquisition of GFI Monetic in September 2010, and willing to consistently offering to our customers consulting and services in payment systems and secure electronic transactions, Galitt's management decided to entrust this management position to Jean-Michel. "His professional and human qualities enable him to efficiently contribute to the growth of our company" said Gerard TCHAKGARIAN, President of Galitt.

About Galitt (www.Galitt.com) – For more than 20 years, Galitt has been offering consulting and services in payment systems and secure electronic transactions. Regarding consulting and assistance, Galitt is providing its customers with services from strategic choices to system implementation via system design and support: business consulting, EFT business analysis and expertise, audit and security, design, specification & project management, acceptance testing, technical assistance and development, training. Engineering and technology activities are covering bespoke development, software integration, turnkey solutions, hosted solutions and testing software. Galitt indeed offers petrol and loyalty card solutions (Catti™), simulators (KaNest®), personalization validation tools (VisuCard®) and added-value solutions (VisuBank®, private labels...).

Being the reference in payment systems and electronic transactions, Galitt is the leader in France in all its businesses, and a worldwide leader in providing test tools and expertise in payment innovation.
